SPECIAL NOTE: Because of the risk to people with cystic fibrosis (CF), individuals with confirmed positive sputum culture for *Burkholderia cepacia* complex shall not attend this event. This is because *B. cepacia* can be passed between individuals who have CF through close proximity. *B. cepacia* infection in a person with CF can cause serious respiratory illness and, in some patients may lead to death. Despite this policy, there might still be some individuals with *B. cepacia* in attendance. *B. cepacia* is not a risk for otherwise healthy individuals. For alternative ways to participate and for information about this policy, please contact the CF Foundation at (800) FIGHT-CF or visit our website at cf.org. Consult your CF care center physician with medical questions.

TO BENEFIT
