**ABOUT THE ROCKY MOUNTAIN
FLY FISHING CELEBRITY CLASSIC**

The Colorado Chapter of the Cystic Fibrosis Foundation is pleased to announce its 7th Annual Rocky Mountain Fly Fishing Classic. This event will help raise funds "To Catch the Cure" for cystic fibrosis. The tournament will be held September 25-26, 2009 in the Aspen/Basalt, Colorado area. It will embrace the notable standard of excellence that founder Gary Ellis established with the Mercury Redbone Celebrity Tournament Series.

The competition is a strict catch-and-release, point accumulation tournament for wild trout $\frac{3}{4}$ Rainbow, Brown and Cutthroat. The limited number of boats will have two anglers paired with one of the Rocky Mountain's world-class fishing guides, providing participants with an extraordinary fly fishing experience.
