

WE ARE EXCITED TO ANNOUNCE OUR 1ST STUDENT YOUTH BOARD!

Julianna Grant
Georgia Military College HS
Activities: Football Cheerleader,
Jr. Beta Club, Young Life
"I am very excited and honored to be a part of the 1st Student Youth Board for CureFinders. My goal is to continue to raise money while motivating other students to work with me to help change CF to 'Cure Found'!"

John John Pickering
South Forsyth HS
Activities: Soccer,
Swimming
"The only disability in life is a bad attitude."

Conner McLeod
South Forsyth HS
Activities: DECA, FCA,
Varsity Swimming
"I hope that my involvement with CureFinders will impact someone else in some way. I want to make a difference, and hope to open other peoples' eyes to the differences they can make."

Sara Cerny
Marietta HS
Activities: German Club,
Journalism,
Volunteer with Special
Needs Children
"I hope to help CureFinders spread awareness and pray that one day soon, we will have found a cure for Cystic Fibrosis!"

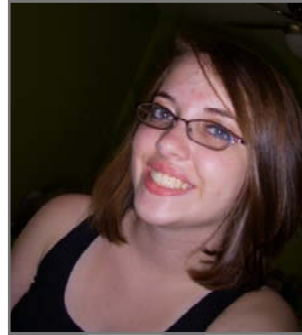

Priya Ramani
Pope HS
Activities: Soccer, FLOP
(Foreign Languages of
Pope), SPCS- Atlanta
Youth Group
"Believing in yourself is everything. If you don't believe in what you can do, it's almost impossible to achieve it."
- Sylvia Bernier

Mary Catherine Battle
The Lovett School
Activities: Soccer, Ping Pong,
College Football, Project Horizon
"I love my grandpa and he does everything he possibly can for me. Through CureFinders, I feel like I can help him with cystic fibrosis as he has helped me with everything else."

Alison Wachs
Northview HS
Activities: Film-making, Swimming
 “With Cure Finders, I hope to help raise enough money to facilitate and expedite the finding of a cure to Cystic Fibrosis. The faster the cure is found, more lives can be prolonged and saved.”

Joanie Hebert
Duluth HS
Activities: School & Church Choir, Sunday Youth Group
 “I want the world to know what CF is; it’s affecting 30,000 plus people in America. If people don’t know what it is, how will that help us find a cure?”

Vijay Rawal
South Forsyth HS
Activities: Public Speaking, Swimming

Michael Lord
Walton HS
Activities: Football, Wrestling, Church Youth Group InsideOut
 “I have a close friend who has had a difficult year being tested for CF and I want her to have a cure if it turns out this is what she has. After watching her go through all of the tests, I want to be able to help find a cure so that other young people do not have to go through what she has had to go through.”

Kayleigh Adair
Grayson HS
Activities: Hip-Hop Dancing, DECA
 “I want to make a positive impact on people in my lifetime. Since I have two very special people in my life dealing with CF, I want to feel like I am accomplishing something to benefit their lives forever. I want to make their dreams come true.”

- Nicole Garcia, Whitewater HS
- Jessica Martin, The Lovett School

Rachel Scott

The Westminster Schools

Activities: Lacrosse,
Softball, Sports Medicine

“To me CureFinders is a way to educate people about CF in order for them to understand the disease more clearly so that they can help make CF stand for Cure Found.”

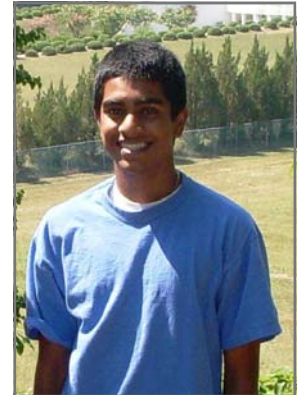

Nandu Nantheshan

Chattahoochee HS

Activities: Basketball,
Classical Indian Dancing

“CureFinders is a step in the right direction to cure cystic fibrosis.”

Emily Stielow

Franklin County HS

Activities: Track,
FCCLA

“CureFinders to me means that I am hoping to help find a cure for Cystic Fibrosis, and I will do whatever I have to do to help get there.”

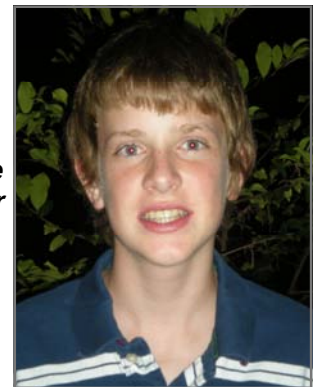

Jeremy Heinrich

Lakeside HS

Activities: Baseball,
Snowboarding

“Being part of CureFinders opens up the opportunity to tap into a resource of enthusiastic students to help other students. Learning more about CF, educating my peers, brainstorming to fund raise are all exciting goals I now have. I look forward to making a difference in the lives of others.”

Saranne Sisk

Franklin County HS

Activities: Dance,
Football & Competition
Cheerleading, Beta Club

“My cousin recently had a baby son Jordan diagnosed with CF at 2 weeks old. Our family was heart-broken at this discovery. I feel like our family is here for a reason. Jordan needs to have everyone searching for a cure. I want to help. I want to be a part of CureFinders when a CURE IS FOUND.”
