## Registration & Fundraising

To participate in Stair Climb, register online at <http://delawarevalley.cff.org/stairclimb2010>. You can also earn prizes by raising a minimum of \$250 above the registration fee. Ask your company if they have a matching gifts program, your employer may match your donation to the Cystic Fibrosis Foundation. In effect, you double your donation to CF and add to your fundraising total toward earning those awesome bonus prizes!

## Awards & Event Categories

- ❖ Awards will be given to the top overall male and female in the Research Racer category only.
- ❖ Cure Climbers (“Fun”) climb the building at their own pace; Cure Climbers can qualify for prizes for the most money raised.
- ❖ Medals will be awarded for the fastest times to the top male and female finishers in the following age categories:

15 & under    16 –25            26 – 39            40 – 60            61 & over

## Survivor’s Party

After the climb join us at our Survivor’s Party. The Stair Climb isn’t your average “run and go home” event, 1019 steps stand between you and the “Survivor Party.” Participants and volunteers alike are treated to a party that towers above the rest, including great food, beverages, music and prizes. An awards ceremony will round out this day of fun and fitness.

## A Step Closer to a Cure...

Cystic Fibrosis is a genetic disease affecting over 30,000 children and adults in the United States. There is no cure. However, a series of medical breakthroughs are bringing us closer to the homestretch in this race to conquer CF. This groundbreaking research happened because of your support. The dollars you help raise by participating in the 23<sup>rd</sup> Annual Wawa Stair Climb will help buy the science that will cure this disease.
